# **CLEARING, GRADING, EROSION & SEDIMENT CONTROL PERMIT APPLICATION**

### **Notice to Applicant:**

Please be advised that per the Storm Water Code of the City of Jefferson, Erosion and Sediment Control Measures are required to be installed **prior to** obtaining a Clearing, Grading, E& SC Permit. No permit is needed to begin installation of approved best management practices. In addition, these measures **must be maintained, repaired, modified and/or replaced, as site conditions dictate,** until the project site is permanently stabilized and vegetated.
